

Minutes from Affiliate meeting January 6, 2010

Meet every first Wednesday of the month, 3 pm, at MMAR

I had three to four major things I felt we needed to focus on in the last meeting.

- 1) The directory and web upgrades
- 2) The Affiliate handbook/guideline- need some volunteers- 2 or 3 (I will take it on if nobody steps up)
- 3) Future events, networking opportunities.
 - A) Open house events (1 in Conifer and 1 in Evergreen) that would showcase homes for sale as well as provide a platform for Affiliate interaction and participation.
 - B) RAAD events - one suggestion was at Red Rocks
 - C) Bowling Event- Spring or Fall
 - D) CMAS- cocktail hour, sponsorships
 - E) Misc other events
- 4) Membership

I strongly believe we need to contact all past members and potential new members with the benefits sheet we discussed in hand. I really want to encourage all the folks we talk to to offer suggestions and needs that will help us outline what we need to do to make MMAR Affiliate Membership valuable.
